- Mobile phone boosters and radar must be turned off prior to entering the Marina

Insurance Requirements

All vessels berthed within the Marina must have current public liability insurance against liability for any loss or damage to the property and for death or injury to any person caused by, through or in connection with the vessel for an insured amount of at least AUD $10,000,000 and comprehensive insurance to the replacement value of the vessel which includes full salvage costs and environmental clean-up with an insurer. A copy of that insurance policy and annual renewal of that policy must be provided upon request.

Rules and Safety Regulations

The Daydream Island Marina is part of Daydream Island Resort and assigned berthing location is as per the resort directive.

Entry into the marina by any means constitutes acceptance of the rules & regulations. Entry into the marina and / or other areas of the resort is at the risk of the owners, their vessels, guests, and contractors.

The marina is not responsible and accepts no liability for any damage or loss to such persons and/ or their property in any circumstance.

Users shall comply with all reasonable requests from the marina and / or resort staff, which relate to the safe and efficient running of the marina.

All crew, captains and guests should wear appropriate resort attire and be presentable at all times.

No chemical or sea toilet shall be discharged on or into the marina. Owners will ensure that no nuisance is caused by noisy, noxious, or objectionable engines, or other apparatus or machinery. Music level must be turned off.

Tenders, equipment, and supplies must be stored on vessels and not left on pontoons, jetties, marina areas or other areas of the resort.

No dangerous, flammable, poisonous or noxious substances or refuse shall be discharged on or into the marina. The marina shall have the right but not the obligation to moor, re-berth, board to carry out work on a vessel in the event of fire or another emergency.

Owners on the visiting pontoon must always ensure the safety of their craft. Vessels must be in seaworthy and smart conditions.

Vessels moving within the marina shall not proceed at the speed or in a manner which may endanger or cause nuisance to other users or vessels. Owners shall ensure that no person will work at the marina on their vessels for maintenance or other work which cause a nuisance or annoyance to others, or damage to any vessel or marina infrastructure.

The resort, its employees shall have no liability in respect of any loss or damage to any vessel or its contents as a result of such action, even in the event of negligence on their part. The owners shall hold harmless and indemnify the resort, its employees in respect of any loss incurred. The marina reserves the right to change rules / regulations and prices without prior notice at any time.
